

Product Awareness Bulletin

Date: 8-2-11

Contact: Mike Schoenberger, MN

Bulletin Number: 3071

Truck Name/Number: Lincoln County 3250

Quote Writer Number: Special

Description: Crosslays built into the rear tailboard (St. Louis style)

Specification: The tailboard is to be fabricated out of 1/4" steel and will incorporate the two crosslays along with two corner steps. One lay shall hold 200' of 1-3/4" hose and one lay shall hold 150' of 1-3/4" hose. They will both be plumbed with 2" piping. There shall be an aluminum treadplate bi-fold cover provided to secure the crosslay hose.
