THIS BULLETIN INCLUDES INFORMATION ABOUT A NEW OR EXISTING OPTION OR FEATURE THAT IS AVAILABLE FOR PRODUCTION.

DESCRIPTION: Firestar Wet Side Tanker 1800 Gallon Booster Tank

PLANT: Rosenbauer

SPECIFICATION: The Firestar Wet Side Tankers have been changed to 1800 gallon booster tanks. This change was brought upon by the fact that the 2011 chassis with the new emission systems are heavier on the front axle, and we had to reduce the size of the booster tank to stay within the 35,000 GVW chassis.
