

GENERAL™

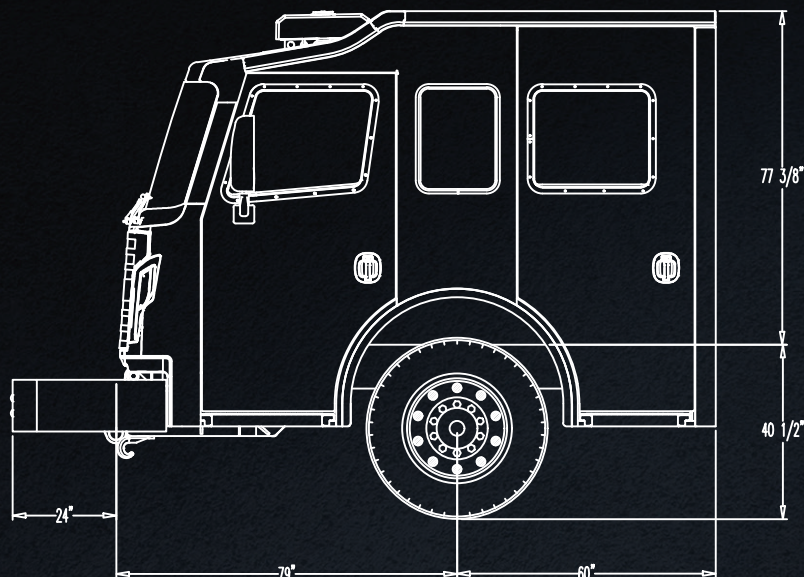

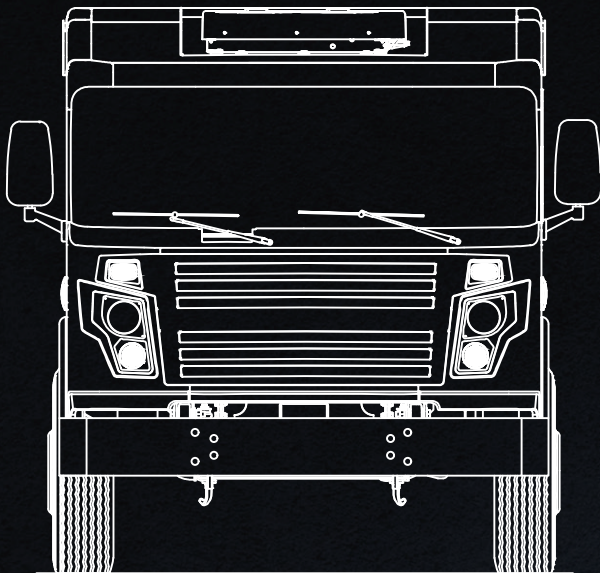

WORLD CLASS CUSTOM FIRE CHASSIS

WWW.ROSENBAUERAMERICA.COM

THE GENERAL FEATURES & BENEFITS

The General, Rosenbauer's newest addition to its world class custom fire chassis lineup, is designed to offer customers a custom alternative to a commercial chassis. With pre-selected content from our current custom chassis offerings, price conscious customers now have access to a competitively priced custom chassis.

WHAT IS "THE GENERAL"

The General is an entry-level custom chassis for fire departments with tight budgets that require timely apparatus replacement. It is a pre-customized, pre-packaged chassis with pre-specified options.

- The General chassis is available as a single axle pumper and tandem axle up to 44,000 lbs for tanker applications with a Rosenbauer FX body.

WHAT ARE THE BENEFITS OF "THE GENERAL"

Single source custom chassis and body designed for the fire service, supported by your local Rosenbauer dealer.

- **Faster truck availability** with pre-packaged options vs. full content Rosenbauer custom chassis (Commander, Avenger, and Warrior) and commercial chassis options.
- High-value, **competitively price choice** with improved visibility, tighter turning radius with a cab over chassis, and hot-dipped galvanized frame rail option vs. commercial options
